

Residence Permit Application Document

Student submitting their residence permit application receive a "Residence permit application document" from the Directorate of Migration Management.

This document gives you the legal right to stay in Turkey for 90 days from the date of your application

The Residence Permit Application Document fills the place of Passport or any other equivalent document.

10 working day after submitting residence permit application documents to the university, without waiting for the residence permit card to be issued, foreigners willing to leave Turkey briefly & return again, Provided that they are in the duration of the residence permit requested and have submitted the receipt of the fees (except those specified in the document who are exempted from the fee) can leave the country without paying a fined residence permit fee at the border gates by presenting the residence permit application document; No visa is required for citizens of countries subject to obtaining a visa for entering Turkey if they return within fifteen (15) days.

You can receive the exit document by applying to the information desk located in the ground floor of the administration building at Istanbul Directorate of Migration Management (Göç İdaresi).

Please indicate you have submitted your residence permit application to the university and you are requesting "Residence Permit Application Document" ("İkamet İzni Müracaat Belgesi") while applying.
