Fingerprint Process

After completing your online application, you will need to go to the Provincial Immigration Administration Centers to provide your fingerprints. Please make sure you have your passport, online application form, and Turkish student certificate with you. When you provide your fingerprints, the Provincial Immigration Administration staff will write a number starting with GI on your application form.

You should visit the migration managament center to provide your fingerprints below with your application form, valid passport and student certificate

zT8

You must be at the relevant center by 8 o'clock

If you already have your fingerprint number, it will be written on your e-residence application form as shown below. If that information is on your form, you do not need to go. If not, you must go.
