

* If you are applying for the first time, Please click on "I lodge an application for residence permit for the first time" button in the following link "<https://e-ikamet.goc.gov.tr/>" then click on "I would like to see my application result". You can then view the status of your application after filling the details in the opened web page.

* If you are making an Extension Application, Please click on "I apply for the extension of the duration of residence permit" button in the following link "<https://e-ikamet.goc.gov.tr/>" then click on "I would like to see the result of my application". You can then view the status of your application after filling the details in the opened web page.

* If you are making a Transfer Application, please click on the "I lodge a transfer application for residence permit" button in the following link "<https://e-ikamet.goc.gov.tr/>" then click on "I would like to see the result of my application". You can then view the status of your application after filling the details in the opened web page.

If you cannot access the application form, create a help ticket in the following link. Select "Residence Permit" in the category section & "I can't access the residence application form" in the sub-category section. Please write the 20 ...-...-..... number sent by the Directorate General of Migration Management in the title of the question, and explain your situation in the question section.
